Book Cover Design Basics Dean Parraz, 2021-07-31 Don't judge a book by its cover. We've all heard the phrase and we all know that's impossible. Because the cover of a book is the first thing a potential reader sees, it should stop them in their tracks. It's a very powerful marketing tool. Having a well-designed book cover is crucial. After reading this book, that shouldn't be the case because you will know exactly what graphic design techniques to use to create a professional-looking book cover design that's appropriate for your genre. You too can create excellent book covers that stand out. Read this comprehensive do-it-yourself guide and learn a simple system for creating a book cover design that will attract readers. 6 easy-to-use book cover design concepts that work for every genre. 6 book cover design secrets every designer uses to create book covers that stand out. 5 easy techniques to test if your book cover works for your target audience. Simple rules for figuring out the best colors for your book cover. Where to get hundreds of free typefaces for every genre and how to pair them. What formatting to use in order not to look amateurish. Where to find thousands of good quality free or low-cost royalty-free images and how to understand their copyright terms. How to make sure nobody else is using your cover art. A simple method for overcoming your creative block. How to choose the right book cover size and image resolution. What free software or apps to use for creating your book cover design and many other practical tricks and tips. It doesn't matter if you are not familiar with basic graphic design principles, color theory, typeface pairing, composition, and other principles because I'm going to give you guidelines and show practical examples and techniques on how to apply them in practice.

How to Design a Fabulous Kindle Book Cover: Tips and Tricks the Pros Use to Get More Sales Mia Jordan, 2015-11-05 Are your Kindle books not bringing in the sales you hoped? Most likely, it's your book cover that is turning away potential readers. Your book cover is one of the most important elements readers look at when deciding to buy a book. With my newest book, *How to Design Fabulous Kindle Book Covers*, I reveal all of my tips and tricks to design a book cover that will bring in sales. Inside, you will learn: The biggest mistakes indie publishers make when designing a book cover. Always include THIS on every cover. How to choose an irresistible cover photo. When not to use a photo. How to create pop. When to use the correct fonts. Don't ever use these colors. Do THIS when designing for non-fiction. Always do THIS when creating a series of books. And more. I will teach you how to design fabulous book covers for your Kindle books that grab the reader's attention and entice them to buy. Inside are core design principles that anyone can use to create beautiful book covers. I will not be teaching you how to use design software such as Adobe Photoshop, but I will be showing you step-by-step how to bring graphic elements together in an attractive way. These concepts are not exclusive for Kindle books. You can use them for designing any type of book cover, whether digital or printed. With my 18 years of experience in the design field, I have figured out what makes a design work and what doesn't. Many times I have been at my computer at 2 A.M. trying to make a design come alive, just about to give up when I finally discovered the secret formula to creating fabulous book covers. And I reveal them all inside. So grab your copy and let's get started. Tags
