

STEP BY STEP

WRITING A NOVEL

Writing a novel can be a long and difficult process. It can often be hard to know what steps to take. Below is an easy path to take when creating a novel.

Create characters, setting, & plot

Once you have an idea, create **detailed character sheets**, setting details, maps, and define your plot.

World Anvil is a great online tool for this!!

Write!

Write your novel straight through and don't go back to make changes! **Just WRITE!**

Rewrite a lot

Now, go back and **rewrite as much as you need**. Rewriting is a long process and it's up to you to decide when it's **perfect**.

Revise & edit

Revise & edit...on repeat. **Keep fixing up your novel** with the tips offered by your beta readers.

Have a Marketing Strategy

The best practice for this step is to **make your strategy while you're still writing your book**.

Perfect it here!

Market & Promote

Marketing & promotion is key for a successful book launch & sales! Make sure you stay on top of things!

Get inspired

The first step of any novel is to **get inspired**. Jot down book ideas in your journal, research ideas online, take part in **writing prompts**, etc.

Once you get an idea, **hone it**.

Make an Outline

Make an in depth outline, even going so far as to **outline every chapter and scene!**

Leave it alone

Leave your first draft alone for 3 days before going back to edit.

This will keep you from overediting or not editing enough.

Get Beta Readers

Reach out to people on social media or friends to read your book and **offer constructive criticism!**

Make a book cover

Once your book is done, **write a synopsis** and create a book cover. I like to use **Canva** for my covers.

Make sure you're adhering to your publishers guidelines!

Publish!

This is a tricky step for self-publishers, but places like **Ingram spark** make it easier!

HowExpert Guide to Novel Writing HowExpert, Rene Reul, 2022-01-05

If you want to learn how to plan your fictional world, develop characters, write your novel and publish your book, then check out *HowExpert Guide to Novel Writing*. How did famous authors write their books? How did they build their career from nothing to a massive franchise? They worked very hard, some say. They're naturally gifted, others may say. They're lucky. These explanations don't feel satisfying. They make authors feel far away from everyone else. They have decades of experience and many hit titles. It feels like it's nearly impossible to catch up. However, most people don't know that there's a method to this madness. There's a pattern to what becomes famous and what flops. It takes hard work to write a book, but there's a technique to it. It takes great writing to be beloved as an author, but great writing can be taught. Anyone who has

enough drive can become a fantastic author with the right guidance This guide provides a brand new perspective of how to write publish and market a book It takes the classic writing formula and challenges it because famous authors are anything but traditional Join us as we dive deep into the most iconic authors of our time and the secrets to their success There is a method to the madness and you can learn to do it too Check out HowExpert Guide to Novel Writing to learn how to plan your fictional world develop characters write your novel and publish your book About the Expert Rene Reul is an author in the making much like many people who pick up this book She wanted to become famous but didn't know how so she researched and read the successful authors From that she created the web method an outlining method based on how the famous authors wrote their novels Now she has a YouTube channel called the Reulerverse which tells short stories and guides for starting writers They detail how to stand out and become successful as a writer Reul is in the process of publishing her first novel Life Amongst the Giants which will release early 2023 HowExpert publishes how to guides by everyday experts
