Holley, 2020-05-15 Book Delisted **EBOOK: Services Marketing: Integrating Customer Focus Across the Firm** Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2016-01-16 European economies are now dominated by services and virtually all companies view service as critical to retaining their customers today and in the future In its third European edition Services Marketing Integrating Customer Focus across the Firm provides full coverage of the foundations of services marketing placing the distinctive gaps model at the center of this approach Drawing on the most recent research and using up to date and topical examples the book focuses on the development of customer relationships through quality service outlining the core concepts and theories in services marketing today New and updated material in this new edition include New content on the role of digital marketing and social media has been added throughout to reflect the latest developments in this dynamic field Increased coverage of Service dominant logic regarding the creation of value and the understanding of customer relationships New examples and case studies added from global and innovative companies including AirBnB IKEA Disneyland Scandinavia Airlines and Skyscanner Ducks Unlimited ,1995 **The Cosmopolitan Dream** Derek Hird, Geng Song, 2018-09-06 The Cosmopolitan Dream presents the broad patterns in the transformations of mainland Chinese masculinity over recent years covering both representations in film fiction and on television and the lived experiences of Chinese men on four continents Exposure to transnational influences has made Chinese notions of masculinity more cosmopolitan than ever before yet the configurations of these hybrid masculinities retain the imprint of Chinese historical models With the increasing interconnectivity of markets around the world the hegemonic mode of manhood is now

a highly mobile transnational business form of masculinity However the fusion of this kind of cosmopolitanism with Chinese characteristics has not diminished the conventional class and gender privileges for educated men On the other hand the traditionally prized intellectual masculinity in Chinese culture which did not hold commerce in high regard has reconciled with today's business values Together these factors shape the outlook of the contemporary generation of Chinese elites At the same time globalization has increased the cross country mobility of blue collar Chinese men who may possess a masculine ideal that is different from their white collar counterparts Therefore it is important to examine various types of masculinity with the recent reform era mainland Chinese migration The migrant man whether he is a worker student pop idol or writer all cases studied in this volume could face challenges to his masculinity based on his race class intimate partners or fatherhood The strategies adopted by the Chinese men to reinvent their masculine identities in these stories offer much insight into the complex connections between masculinity and the rapid socioeconomic developments of postsocialist China The Cosmopolitan Dream provides a rich and multidisciplinary window into how Chinese masculinities are both shaping and being shaped by a new era of globalization one in which circulations of Chinese capital images and people play an ever more important role This is an insightful and engaging work that makes important contributions to the study of media gender migration and globalization more broadly John Osburg University of Rochester A pioneering contribution toward understanding transnational Chinese masculinities Covering both imagined representations and the actual experience of migrating Chinese men this volume is definitely greater than the sum of its parts in conveying the contents and significance of cosmopolitanism to Chinese masculinities Harriet Zurndorfer Leiden University
