*Saving Money Tips* Andrew Parsons,2015-05-12 *Saving Money Tips* Discover How Saving Money on a Budget is Possible with This Must Have Saving Money GuideToday only get this Amazon bestseller for just 9 97 So why should you purchase this book Because you having been thinking of ways of how

you can save money and get ahead but you don't know where to start and you don't know how to map out a written plan. Because now is the moment in time where you are motivated to save and you need some guidance on how to go about it. You realize there are ways to save money but you just haven't thought it through until now. You need to learn the basics and you consciously started to look around for a guide to help. Well, you found the right source and you must buy this book today, right now. Let me convince you. So now you have found this book and you will download it. Once purchased, this book will tell you how to methodically plan to save money and map out your future and financial freedom. The book takes you step by step, taking you by the hand to be well on your way to saving money. The solution is within you and your desire to change. Many, many people in today's society live way beyond their means. Usually it is because they buy things they really don't need; they try to keep up with the Joneses and to top it all off, they spend money they do not have by charging it on credit cards. The reality is that you have to be smart with your money and you can't indulge in things that are not necessities in life. However, that doesn't mean you can't enjoy your life and still spend money on yourself. How, you ask? With a little discipline, you would be surprised how much money you can save starting in the very first month. As long as you bring in more money each month than you have going out, there is an opportunity to save. Most people who spend too much often wonder where their money goes each and every paycheck. The truth is it is being wasted on frivolous things and there is usually plenty of disposable income that can be stashed away each and every month. Do you qualify as one of these people? Most likely yes, or you wouldn't be purchasing this book now. I commend you for getting this far; you are almost there. This book will walk you through the essential things you should know about saving money while on a limited or minimal income.

Bankole, 2016-08-14 At Last The Answers you deserve on Saving Money Now Without any nonsense advice like renting out your house and moving down to the garage. Are you overwhelmed by financial difficulties? Have you accumulated too many debts that are struggling you to death? Or have you made poor investment decisions and are now unable to enjoy money? According to a research conducted by the National Bureau of Economic Research (NBER) the majority of Americans do not plan for a predictable event such as retirement or children's college education. Most importantly people do not make provisions for unexpected events and emergencies leaving themselves and the economy exposed to shocks. 4 out of 5 American adults are faced with economic insecurity at some point in their lives and the majority of Americans lack basic numeracy and knowledge of fundamental economic principle. There is also a sharp disconnection between self-reported financial knowledge and financial knowledge as measured by financial literacy quizzes. Even those who give their best knowledge score poorly on quizzes. Moreover while many believe they are pretty good at dealing with day to day financial matters in actuality they engage in financial behaviors that generate expenses and fees: overdrawing checking accounts, making late credit card payments or exceeding limits on credit card charges. Comparing terms of financial contracts and shopping around before making financial decisions are not at all common among the population.
