**Step-by-step recipes to help you master the art of French pastry** Will Torrent, 2020-03-10 Perfect the art of French patisserie with over 70 classic recipes from award winning pastry chef Will Torrent **Gâteau** Aleksandra

Crapanzano, 2022-09-27 James Beard Award winning writer Aleksandra Crapanzano shares the secrets of the cakes Parisians bake at home from the simplest yogurt cakes to a deceptively easy b che de No l from yuzu madeleines to boozy flourless chocolate confections When we think of French desserts we tend to imagine ornate creations and confections Perhaps we envision a tarte Tatin but rarely a homemade cake whipped up on a weeknight with little fuss But that is exactly what Parisians make and eat G teaux are simple delicious French cakes both sweet and savory served to family and friends As food columnist Aleksandra Crapanzano spent time in Parisian home kitchens she realized that the real magic is a certain savoir faire that distinctly French know how that blends style and practicality in every aspect of life By and large the French do not try to compete with their chefs or their boulang res and p tissi res But many Parisians are natural cooks and most finish

dinner with a little something sweet effortlessly made and casually served The trick is having an arsenal of cake recipes that once mastered become blueprints allowing for seasonal variations and easy improvisation based on what's in the cupboard It is a practical approach and the French are nothing if not practical That is the savoir faire from tying a silk scarf just so to popping a gâteau in the oven without anyone even noticing When you know what you're doing there's no need to overthink it It looks easy because it is easy While the Paris culinary world is experiencing a fresh vibrancy certain traditions remain intact yet may surprise in their modernity For example French cakes have less sugar The pure taste of apples is not masked by cinnamon and vanilla is never a given A cake may be lightly glazed dusted with cocoa or confectioners sugar drizzled with rose water but rarely heavily iced A splash of brandy a squeeze of lemon or a thin blanket of ganache elevates even the easiest of cakes in mere minutes And then there are savory cakes or cakes salées made with cheese herbs or ham baked into a delicious loaf These are ideal for picnic lunches accompanied by a salad and a glass of Sancerre Gâteaux includes cakes for birthdays summer feasts and winter holidays last minute dinner parties and school lunches as well as beloved regional recipes and guest contributions from superstar Parisian bakers like Poilâne and Pierre Hermé Practical charming and filled with over 100 rigorously tested recipes and lovely illustrations Gâteaux celebrates the everyday and sometimes fanciful cakes of France perfect for home bakers Francophiles and anyone who believes that elegant baking should be both accessible and joyful
