realm of the earnest of the Spirit during the Church age But John in the book of Revelation wrote what he witnessed of the full and complete revelation of Jesus Christ that comes to and through him that overcomes In the revelation of Jesus Christ in sons upon Mount Zion in the Manchild on the throne and in the New Jerusalem come down from God out of heaven John wrote in the Revelation what he saw of the ascended and glorified Christ manifesting out of the heavens of God s Spirit The Revelation releases the mind of Christ manifesting out of the heavens of God s Spirit The Revelation releases the mind of Christ out of celestial realms We must by the Holy Spirit get on the horse put our feet in the stirrups take hold of the reins and ride through the Revelation experientially in the anointing from on High We must be in the Spirit on the Lord s day to understand it just as John was in the Spirit on the Lord day to receive it And when we do we see Jesus The mark of the beast Armageddon The Four Horsemen The False Prophet Babylon the great Falling stars stinging locusts and giant hailstones The seven last plagues The bottomless pit The lake of fire These images of terror and catastrophe from the book of Revelation have greatly influenced the thinking of millions of Christians through the ages Revelation is the drama of God s great plan of the ages wrought out first in the saints then in the nations and finally in all the vast creations of God Everything in the Revelation is viewed from the divine perspective It is not the history of Satan s activity in men but the all conquering power of God s Christ It is the spiritual drama of Father s dealings in our lives Despite 1900 years of fascination with the book of Revelation John s letter to the seven Churches of Asia continue to be misunderstood and badly misinterpreted It s time that we allow the Holy Spirit to reveal to us and within us just who and what Jesus really is in all His glorious wonder As you discover the Revelation of Jesus afresh in your life and soak in the manifest wonder of His abundant life you will find yourself challenged and changed by the power of the Holy Spirit and begin to discover not so much who you are in Christ but who this Jesus living in you is and He wants you as an overcomer to a just like Him Let the change begin Let it begin within me

Mountain Tops - Bible Prophecy as History unfolds Tony Smits B.Th - Ian Traill D.Min, The evidence found in the Old and New Testament of His return is overwhelming therefore it is safe to conclude He is coming back So it is evident Jesus is coming back to the Mount of Olives We see that there is going to be a time of upset wars troubles and earthquakes about and around that time So when Christ comes back the earth will undergo a time of great change trouble and unrest Scripture is given not to frighten us but to tell us something that is certain to happen just before He comes so we are not asleep but we are eagerly anticipating the coming events Saved!, Saved From What? Lucien Arthur Pelletier, 2013-03-03 A study in book form that relates and reveals to men in laymen terms the prophecies listed in the last book of the bible and how the book relates to the rest of the Bible It reveals how God in His infinite wisdom will reclaim His creation and judge the sin of mankind and how and who he plans to save This book helps to explain the somewhat unexplainable in easy to understand language The Book of Revelation with its descriptive writing has been called a difficult book to understand but with a little guidance it becomes easier **Bible Study Guide: Revelation** Andrew J. ESCHATOLOGY Dr. Andrea D. Keys, 2025-02-06 Eschatology is the part of theology concerned with death judgment and the final destiny of the soul and of humankind Also discussed in the book is the meaning of dispensation which is a divinely appointed order a system of order government or organization of a nation community etc especially as existing at a particular time This book on eschatology will first include a minimal definition of the seven dispensations the rapture the tribulation part 1 revelations the abomination of desolations the great tribulation part 2 mark of the beast the battle of Armageddon millennium the great white throne judgment new heaven and new earth and eternity Consequently the author has attempted to place these end of time events in prophetic order and utilized a variety of sources to give insight to the reader Although there are many doctrines of eschatology this author will focus only on the set of beliefs taught through Christian eschatology Life becomes difficult for those who are not educated around technology and social media The same applies to eschatology life and beyond will become extremely arduous for those who are not educated on the devastating events that will take place during our last days on earth Eschatology The Doctrine of the Last Things will open up your understanding of the divine end of time events where Jesus Christ will ultimately reign with his saints in the New Jerusalem for all eternity According to the 1 Thessalonians 4:16-17 KJV which reads For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord Amen

Young's Literal Translation of the Bible Young, Robert, 2014-06-14 Young's Literal Translation of the Bible is as the name implies a strictly literal translation of the Hebrew and Greek texts from the Textus Receptus and Majority Text Compiled by Robert Young in 1862 he went on to produce a revised version in 1887 based on the Westcott Hort text which had been completed in 1885 Young died on October 14 1888 and the publisher released a New Revised Edition in 1898 Young used the present tense in many places where other

translations used the past tense particularly in narratives The Preface to the Second Edition states If a translation gives a present tense when the original gives a past or a past when it has a present a perfect for a future or a future for a perfect an a for a the or a the for an a an imperative for a subjunctive or a subjunctive for an imperative a verb for a noun or a noun for a verb it is clear that verbal inspiration is as much overlooked as if it had no existence THE WORD OF GOD IS MADE VOID BY THE TRADITIONS OF MEN Emphasis in original For example the YLT version of Genesis begins as follows 1 In the beginning of God s preparing the heavens and the earth 2 The earth hath existed waste and void and darkness on the face of the deep and the Spirit of God fluttering on the face of the waters 3 And God saith Let light be and light is 4 And God seeth the light that it is good and God separateth between the light and the darkness 5 And God alled to the light Day and to the darkness He hath called Night and there is an evening and there is a morning day one Young s Literal Translation in the 1898 Edition also consistently renders the Hebrew Tetragrammaton the four Hebrew letters usually transliterated YHWH or JHVH that form a biblical proper name of God throughout the Old Covenant Testament as Jehovah instead of the traditional practice of LORD in small capitals which was used in editions prior to 1898 Young s usage of English present tense rather than past tense has been supported by scholars ranging from the medieval Jewish rabbi Rashi who advised If you are going to interpret this passage in its plain sense interpret it thus At the beginning of the creation of heaven and earth when the earth was or the earth being unformed and void God said Let there be light to Richard Elliott Friedman in his translation of the Five Books in The Bible with Sources Revealed 2002 There is a linked Table of Contents for each book and chapter

Revelation Robert Reiter, 2019-05-17 Revelation Written in Layman s Terms Volume 1 covers chapters 1-19 however chapters 4 and 5 deals with events in heaven Chapters 6-19 deal with events on earth in detail such as the significance of the seventy weeks and the beginning of the Tribulation period In chapter 1 3 it states Blessed is he that 1 readeth and they that 2 hear the words of this prophecy and 3 keep those things which are written therein for the time is at hand The blessing of verse 3 has a threefold condition 1 read the book 2 hear understand it and 3 keep obey it The essential nature of prophecy was the communication of new truth divine revelation God has given it to be obeyed not simply to be discussed and debated The time is at hand in the sense that nothing else now has to occur before the Rapture and the beginning of the Tribulation period 1 Thess 4 13-18 same as Rev 4 1 **Biblical Dogmatics** Milton Spenser Terry, 1907 **The Book of Revelation**

John Smith, 2018-02-10 Revelation is a book that is unique to all other books in the Bible It is a letter but in addition it is also a word of prophecy It was written to the churches in Asia Minor sometime between 64 AD and 96 AD probably closer to the end of that scale than the beginning There was pressure from the government of Rome to make Christians recant their faith in Jesus and even stronger persecution was soon to follow The fact that there was complacency in many of the churches to which it was written tells us that there was not intense martyrdom going on yet The churches were being warned and encouraged John the apostle was told to write this revelation in these areas 1 the things which John had seen which included

the vision he had seen of the risen Christ in chapter one 2 the things which are which are the seven letters to the seven churches in chapters two and three and 3 the things which shall take place referring to the events in chapters four through twenty two Note that in this book we often see the phrases like as and as it were This tells us that what we are reading is a comparison not an identification This book is all about Jesus Christ It is a book from Jesus Himself the only book to have this distinction Because it is from Jesus Himself we are blessed when we read this book We see several things concerning Jesus in Revelation 1 We see His risen glory in Revelation chapter 1 2 We see Him directing and teaching His church in Revelation chapters 2 and 3 3 We see Him as the slain and risen lamb to whom all worship is directed in Revelation chapters 4 and 5 4 We see the coming judgments in a period of tribulation upon the earth that are a display of the wrath of the Lamb of God in Revelation chapters 6 through 19 5 We see the return of Jesus Christ to earth as a conquering King in Revelation 19 11 21 6 We end with a picture of the millennial reign of Christ in Revelation chapter 20 7 We see a new heaven and a new earth in Revelation chapters 21 and 22 What is the purpose of this book 1 To encourage and build up the church who were living in a world of increasing persecution and ridicule 2 To declare the lordship of Jesus and to lift Him up as the Lord of all Lords and King of all Kings 3 To encourage the church to be evangelistic during difficult times 4 To show us that Satan desires to do all he can to thwart the purpose of God In the last purpose we must realize that Satan is frustrated by his defeat at the cross and his being kicked out of heaven

A Missionary Looks at the Love Letter Richard Lehman, 2024-02-19 Jesus gave Revelation as a love letter for his servants to share with the church It is addressed to us from him that loved us and washed us from our sins in his own blood Revelation 1 5 He reminds us that he personally suffered and gave his very best for his bride the church But then with a broken heart in his first letter to the church he says you have left your first love Revelation 2 4 This book interprets Revelation by following the instructions given to us in the first chapter We are told to compare Revelation to the Word of God and the testimony of Jesus Christ Revelation 1 2 Revelation is a heart heavy message very carefully and personally delivered by Jesus Christ himself He doesn't take it lightly when people write up their own interpretations and imaginations about what it means That is why this particular book carefully considers the spiritual heart message that is being delivered to the ministry and we will address each scripture within Revelation in the same order as it was originally given Almost every scripture within Revelation hundreds of them are derived from other scriptures within the rest of the Bible There is no way to interpret Revelation without carefully considering what those scriptures spiritually teach us and then what Jesus is telling us with them through his Revelation This is exactly the way that the apostle Paul taught us to understand scripture Which things also we speak not in the words which man's wisdom teaches but which the Holy Ghost teaches comparing spiritual things with spiritual 1 Corinthians 2 13 Revelation is also a book of many sevens Addressing things seven times is God's way within scripture of completing his purpose and his work There are four different patterns of seven that are explicitly identified within Revelation 7 churches 7 seals 7 trumpets and 7 vials of the wrath of God poured out

This pattern of four sevens matches how God said he would correct his people back in Leviticus chapter 26 He said four different times that if his people stray away from him he will correct them seven times and in the last seven he will correct them in his fury Accordingly the last pattern of seven within Revelation is done in God s wrath and fury Revelation finalizes the corrections for all the problems in the church A Missionary Looks at the Love Letter has been written so that you can respond from your heart to the love letter Jesus wrote to you Christ died so that we can have a personal heart to heart relationship with him and his heavenly Father through the Holy Spirit That is how he first established the Kingdom of Heaven on Earth Consequently the purpose of Revelation is to fill us in a greater way with his sacrificial love Intellectual understanding into the different symbols types and patterns of Revelation are a byproduct of that heart transformation Consequently this book will also explain all of these symbols types and patterns in complete detail directly from the scriptures The book is titled A Missionary Looks at the Love Letter because as a missionary the author has taught this Revelation message to over a thousand ministers already The purpose of Revelation is first to shake and awaken the ministry to their responsibility to respond directly to the heart of God For those ministers where that spiritual heart change takes place a revival breaks forth in their life and spreads to others That Christ may dwell in your hearts by faith that you being rooted and grounded in love May be able to comprehend with all saints what is the breadth and length and depth and height And to know the love of Christ which passes knowledge that you might be filled with all the fullness of God Ephesians 3 17 19
