

I need your advice please - this vase is glazed with 3 layers each of Textured Turquoise, Smokey Merlot, Blue Rutile and Iron Lustre. Would you suggest Oatmeal or Honey Flux as top glaze? And how many layers? Straight down to the bottom or stop at Iron Lustre because it might be too runny?

UPDATE I

Thank you for your suggestions 🙏
I went for bands of Oatmeal where the glazes were slightly overlapping, new pic attached. Glaze firing probably this weekend, I will update this post with the final result!

UPDATE II

Thank you so much for all your tips, comments and likes - the glaze firing is finally done, pictures updated. And believe it or not - the cookie wasn't necessary at all. Iron lustre at the bottom did not run a single bit. Fired at 1200°C with a 10 mins hold. Clay is Witgert 11.

Glaze Potter Recipe

Richard Behrens

Glaze Potter Recipe:

Amazing Glaze Recipes and Combinations Gabriel Kline, 2021-08-03 Get inspired and get glazing *Amazing Glaze Recipes and Combinations* provides a captivating collection of sure fire glaze recipes and electrifying combinations for low fire mid range and high fire potters Hundreds of photos and technically edited recipes ensure you ll get the best possible results Whether you re searching for excitement at cone 6 or looking for the perfect high fire shino recipe you ve come to the right place Join Gabriel Kline author of *Amazing Glaze* and founder of Odyssey Clayworks for page after color filled page of glazes Start by learning the keys to success when applying glazes then choose the temperature range you want to explore first Gabriel s collection of well tested recipes draw on his decades of experience as an instructor and leader of a communal arts studio including current and past student favorites as well as a few timeless gems Of course he doesn t stop there In addition to plentiful tiles showing off two glaze combinations Gabriel shares multi glaze combinations developed through years of trial and error From waterfall blues to eye popping bursts of red there s a rainbow of options Just as in *Amazing Glaze* the recipes have all been technically edited and each one has a photo By controlling specific gravity and application the goal is always getting the perfect coat of glaze recipe after recipe Special topics like majolica and raku firing provide welcome detours and a variety of artist features serve as launching points for new explorations Stunning galleries from today s top artists provide even more glazing ideas
