## Of John Chapter 14:

**Jesus as the Fulfillment of the Temple in the Gospel of John** Paul M. Hoskins, 2007-02-01 This study examines John's portrayal of Jesus as the fulfillment and replacement of the Temple. It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple. Interpreters often associate John 1:14, 1:51, 2:18, 2:22 and 4:20, 24 with Jesus' replacement of the Temple. Based on these texts, one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God's presence, glory, revelation, and abundant provision for his people. In particular, John 2:18, 22 clearly associates Jesus' role as the Temple with his death and resurrection. According to Isaiah, part of God's decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples. In John, this expectation finds its fulfillment in Jesus. John's language of lifting up and glorification marks Jesus' death, resurrection, and exaltation as climactic events through which God lifts up and glorifies Jesus, the true Temple. Jesus' death, resurrection, and exaltation are also the means by which God provides for his people. Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death. In doing so, he simultaneously fulfills prophecies and patterns associated with the Passover, Feast of Tabernacles, Feast of Dedication, and the Temple.

*A Theology of John's Gospel and Letters* Andreas J. Köstenberger, 2009 The first title in Zondervan's new eight-volume Biblical Theology of the New Testament series, this landmark textbook by leading Johannine scholar Andreas Köstenberger thoroughly explores John's Gospel and letters and relates them to the rest of the New Testament and the Bible as a whole.

Feasting on the Gospels: Chapters 1-9 Cynthia A. Jarvis, E. Elizabeth Johnson, 2015-01-01 Feasting on the Gospels follows up on the success of the Feasting on the Word series with all new material on the most prominent and preached-on New Testament books, the four Gospels. With contributions from a diverse and respected group of scholars and pastors, Feasting on the Gospels covers every single passage in the Gospels, making it suitable for both lectionary and nonlectionary use. Moreover, these volumes incorporate the unique format of Feasting on the Word, with four perspectives for preachers to choose from for each Gospel passage: theological, pastoral, exegetical, and homiletical.
