Unlocking the Mystery of Borderline Personality Disorder: A Survival Guide to Living and Coping with Bpd for You and Your Loved Ones Thomas Cox, Alison Malkovich, 2018-08-30 Description Have years of treatment for your mental health left you feeling confused and at a loss Have you been diagnosed as anxious depressed or as having bipolar disorder and yet have found your treatment lacking Do you have a loved one who struggles with managing their emotions despite periods of lucidity or normal functioning Are you in a relationship with someone who

makes you feel completely loved and then completely unwanted seemingly without reason It is in this liminal space where relationships are built where personality disorders manifest When you have been prescribed antidepressants and anti anxiety medication without relief when you have tried changing and improving your circumstances and when after all this there is still a feeling of being lost restless and an intense fear of being abandoned then learning more about Borderline Personality Disorder BPD may open the door to your truth Personalities are the parts of ourselves we develop throughout a lifetime in order to interface with the world However what happens when traumatic events in early childhood shatter this fragile sense of self BPD is a maladaptive pattern of behaviors created in childhood to negotiate a world that has deeply betrayed the security of the child However these patterns of behavior are destructive to the self and others in adulthood BPD is a personality disorder that attempts to make sure that others will not abandon the sufferer at any cost For those close to someone with BPD this means a life of chaos As with all personality disorders the effects of BPD are on a spectrum and while some behaviors hold true for certain individuals others may express certain behaviors to a lesser or more intense degree What are important to spot are the hallmarks of BPD Have you or your loved one ever felt Feelings of intense insecurity Low self worth The inability to trust yourself to make clear decisions The inability to know what is best for you Paranoia Unstable relationships Emotional instability A severe reaction to real or perceived rejection An uncertain sense of self If any of these markers read true for you then this book is a must read at the beginning of your journey This book does not purport to be a stand in for a medical professional and you should not approach reading as to diagnosis yourself or a loved one What is of benefit is a better understanding of this complex disorder that most clinicians struggle to diagnose accurately The first step to healing is awareness of BPD s intricacies and self awareness This book removes blame from those who suffer from BPD and those who live within its proximity BPD is a battle for survival and this book compassionately approaches the steps needed to cross the bridge from survival to a thriving life Offering evidence based research and anecdotal examples from BPDs and their loved ones this guidebook shows how there can be optimism where there was once only confusion and despair Are you ready for relief

[Borderline Personality Disorder Demystified: A Complete Survival Guide to Loving Someone with Borderline Personality Disorder, Understanding Borderlin](#) Linsy B, 2019-01-29 People with borderline personality disorder BPD can be intensely friendly one moment and then extremely horrible the next moment If you are struggling with maintaining a steady relationship with someone you suspect to have BPD then this book is for you This book will help you navigate your way through the manipulative nature of your friend spouse or family member who has BPD It will show you the best ways to deal with people with BPD by telling you some hard truths You will get to understand why they do the things they do and the best way to respond to them Learning to love people with borderline personality disorder BPD involves setting boundaries deciding if you want all the drama or if you want to walk away This essential family guide will The effects of BPD Behavior on you Why you are finding difficult to leave Best ways to stay sane and still love them
