Film Art: An Introduction David Bordwell, Kristin Thompson, 2009-11-25 Film is an art form with a language and an aesthetic all its own Since 1979 David Bordwell and Kristin Thompson's Film Art has been the best selling and widely respected introduction to the analysis of cinema Taking a skills centered approach supported by a wide range of examples from various periods and countries the authors strive to help students develop a core set of analytical skills that will deepen their understanding of any film in any genre Frame enlargements throughout the text enable students to view images taken directly from completed films while an optional text specific tutorial CD ROM helps clarify and reinforce specific concepts addressed in the text with the use of film clips Building on these strengths the ninth edition adds coverage of new technologies updated examples and references to the authors acclaimed weblog to provide unparalleled currency and connect students with the world of cinema today

EBOOK: Film Art: An Introduction David Bordwell, 2013-08-16 Film is an art form with a language and an aesthetic all its own Since 1979 David Bordwell and Kristin Thompson's Film Art has been the best selling and most widely respected introduction to the analysis of cinema Taking a skills centered approach supported by examples from many periods and countries the authors help students develop a core set of analytical skills that will enrich their understanding of any film in any genre In depth examples deepen students appreciation for how creative choices by filmmakers affect what viewers experience and how they respond Film Art is generously illustrated with more than 1 000 frame enlargements taken directly from completed films providing concrete illustrations of key concepts

Japanese Film and the Challenge of Video Tom Mes, 2023-05-19 This book explores the phenomenon of V Cinema founded in Japan in 1989 as a distribution system for direct to video movies which film companies began making having failed to recoup their investment in big budget films It examines how studios and directors worked quickly to capitalize on niche markets or upcoming and current trends and how as a result this period of history in Japanese cinema was an exceptionally diverse and vibrant film scene It highlights how although the V Cinema industry declined from around 1995 the explosion in quantity and variety of such movies established and cemented many specific genres of Japanese film Importantly the book argues that film scholars who have long looked down on video as a substandard medium without scholarly interest have been wrong to do so and that V Cinema challenges accepted notions of cultural value providing insight into the formation of cinematic canons and inviting us to rethink what is meant by Japanese cinema

Skepticism Films Philipp Schmerheim, 2017-06-29 Skepticism Films Knowing and Doubting the World in Contemporary Cinema introduces skepticism films as updated configurations of skepticist thought experiments which exemplify the pervasiveness of philosophical ideas in popular culture Philipp Schmerheim defends a pluralistic film philosophical position according to which films can be but need not be expressions of philosophical thought in their own right It critically investigates the influence of ideas of skepticism on film philosophical theories and develops a typology of skepticism films by analyzing The Truman Show Inception The Matrix

Vanilla Sky The Thirteenth Floor Moon and other contemporary skepticism films With its focus on skepticism as one of the most significant philosophical problems Skepticism Films provides a better understanding of the dynamic interplay between film theories of film and philosophy

Mapping Multimodal Performance Studies Maria Grazia Sindoni, Janina Wildfeuer, Kay O'Halloran, 2016-12-01 This book is a first attempt to map the broad context of performance studies from a multimodal perspective It collects original research on traditional performing arts theatre dance opera live durational performance and mediated recorded performances films television shows as well as performative discursive practices on social media by adopting several theories and methodologies all dealing with the notion of multimodality As a mostly dynamic and also interactive environment for various text types and genres the context of performance studies provides many opportunities to produce meaning verbally and non verbally All chapters in this book develop frameworks for the analysis of performance related events and activities and explore empirical case studies in a range of different ages and cultures A further focus lies on the communicative strategies deployed by different communities of practice taking into account processes of production distribution and consumption of such texts in diverse spatial and temporal contexts

Consuming Environments Mike Budd, Steve Craig, Clayton M. Steinman, 1999 East-West Film Journal, 1992

Humphrey Bogart Gerald Duchovnay, 1999-02-28 More than forty years after his death Humphrey Bogart remains a symbol of the Golden Age of Hollywood and a popular culture icon His legacy has impacted American popular culture beyond the scope of American film history His image graces buttons greeting cards and postal cards and he has been the subject of plays films novels and poems This work presents a precise biography of Bogart and examines his place in American popular culture Scholarly and substantive articles written about Bogart's life films and career are analyzed and summarized Essays and new and previously published interviews present insightful ideas by and about Bogart Film and popular culture scholars and Humphrey Bogart enthusiasts alike will appreciate the extensive and thorough listing of articles and books about Bogart and his career As a guide to further research the author has provided a filmography discography and videography and has documented theater listings radio and television appearances and a directory of Bogart websites This extensive review of Bogart and his career helps to define his success within an American cultural context **The Cinematic Text** R. Barton Palmer, 1989 This third volume in the excellent series Georgia State Literary Studies is edited by an associate professor of English at Georgia State University in Atlanta As Palmer correctly points out in his introduction the major concerns of film theory have evolved from the narrative and linguist approaches of literary theory and the book presents a range of critical methodologies including deconstruction feminist criticism and semiotics The first section of the book presents a series of essays that use various theoretical models in analyzing specific films and filmmakers The second section delves into the larger issues of modern film theory and includes two extended articles on the translinguistics of the Russian theoretician Mikhail Bakhtin Perhaps the most impressive piece in the text is the penultimate essay by David Bordwell a sweeping reevaluation of the field Style and Tradition in Four Films by Kenji Mizoguchi Donald Paul Kiriara, 1989 George Sidney Eric Monder, 1994-08-23 George Sidney directed a number of popular Hollywood films such as *Anchors Aweigh* *Show Boat* *Kiss Me Kate* and *Bye Bye Birdie* His revisions of traditional Hollywood product resulted in films that remain surprisingly modern and his work continues to influence popular culture But despite the popularity of his films Sidney has been a largely unheralded figure in film history This book is the first serious full length study of Sidney's life and work A

critical introduction to the volume explains how Sidney was given a minor place in film history despite his many significant achievements The book examines Sidney s canon in relation to the work of his contemporaries and reveals how he was both a Hollywood insider and an iconoclast who created mainstream films with strikingly modern sensibility The detailed filmography provides thorough documentation for Sidney s many features short subjects screen tests documentaries and uncredited sequences in other directors films By drawing upon interviews with former coworkers archival material and rare stills and photographs Monder reassesses Sidney s career From Vaudeville to Surrealism Robert Knopf,1996 The Historian-filmmaker's Dilemma David Ludvigsson,2003 *Direct Cinema* Dave Saunders,2007 Direct Cinema is a comprehensive study of the seminal direct cinema movement of 1960s America **Paperbound Books in Print** ,1992
