Boeing Aircraft Since 1916 Peter M. Bowers, 1968

Ultra-Large Aircraft, 1940-1970 William Patrick

Dean, 2018-04-04 In 1962 a unique transport aircraft was built from the parts of 27 Boeing B 377 airliners to provide NASA a means of transporting rocket boosters With an interior the size of a gymnasium The Pregnant Guppy was the first of six enormous cargo planes built by Aero Spacelines and two built by Union de Transport Aeriens More than half a century later the last Super Guppy is still in active service with NASA and the design concept has been applied to next generation transports This comprehensive history of expanded fuselage aircraft begins in the 1940s with the military's need for a long range transport The author examines the development of competing designs by Boeing Convair and Douglas and the many challenges and catastrophic failures Behind the scenes maneuvers of financiers corporate raiders mobsters and other nefarious characters provide an inside look at aviation development from the drawing board to the scrap yard *The United States in World War I* James T. Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in *The United States in World War I A Bibliographic Guide* the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich's bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich's bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists *The United States in World War I A Bibliographic Guide* is an ideal research tool for students and scholars of World War I and American history *Royal Air Force Quarterly and Commonwealth Air Forces Journal*, 1966 *Boeing Magazine*, 1945
