RT Book Reviews Patricia Briggs never fails to deliver an exciting magic and fable-filled suspense story. Erin Watt No. 1 New York Times bestselling author of The Royals series. I am Mercedes Athena Thompson Hauptman. My only superpowers are that I turn into a thirty-five pound coyote and fix Volkswagens. But I have friends in odd places and a pack of werewolves at my back. It looks like I'm going to need them. Centuries ago, the fae dwelt in Underhill. When they were cast out, they left behind their great castles, troves of magical artefacts, and their prisoners. Without the fae to mind them, those creatures roamed freely through Underhill, wreaking havoc. Only the deadliest survived. Now one of those prisoners has escaped. It can look like any creature it chooses, and if it bites you, it controls you. It lives for chaos and destruction and can make you do anything, even kill the person you love the most. Now it is here in the Tri Cities, in my territory. It won't remain. Not if I have anything to say about it.
