Channel 6 Public Television Guide:

Public Television William Hawes,1996 KUHT TV in Houston Texas was the first non commercial educational television station This is the story of its development and struggle for survival **TV Guide** ,2006 **Viewers Like You** Laurie Oullette,2012-07-24 How public is public television if only a small percentage of the American people tune in on a regular basis When public television addresses viewers like you just who are you Despite the current of frustration with commercial television that runs through American life most TV viewers bypass the redemptive oasis of the wasteland represented by PBS and turn to the sitcoms soap operas music videos game shows weekly dramas and popular news programs produced by the culture industries *Viewers Like You* traces the history of public broadcasting in the United States questions its priorities and argues that public TV s tendency to reject popular culture has undermined its capacity to serve the people it claims to represent Drawing from archival research and cultural theory the book shows that public television s perception of what the public needs is constrained by unquestioned cultural assumptions rooted in the politics of class gender and race Access ,1983 **Public Broadcasting Financing Act of 1970** United States. Congress. House. Committee on Interstate and Foreign Commerce. Subcommittee on Communications and Power,1970 Reauthorization of the Corporation for Public Broadcasting (S. 1504) United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on Communications,1992 **New York Magazine** ,1993-02-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Censored 2003* Peter Phillips,Project Censored,2011-01-04 The yearly volumes of *Censored* in continuous publication since 1976 and since 1995 available through Seven Stories Press is dedicated to the stories that ought to be top features on the nightly news but that are missing because of media bias and self censorship The top stories are listed democratically in order of importance according to students faculty and a national panel of judges Each of the top stories is presented at length alongside updates from the investigative reporters who broke the stories *TV Guide ... Index* ,1979 Journal of Health, Physical Education, Recreation ,1963 **The New York Times Index** ,1929 **List of Outstanding Teaching and Learning Materials** Association for Supervision and Curriculum Development,1967 *English Journal* ,1976 **Television & Cable Factbook** ,2005 **California. Court of Appeal (4th Appellate District). Division 3. Records and Briefs** California (State)., Number of Exhibits 2 *Television in Black-and-white America* Alan Nadel,2005 La couverture indigne Alan Nadel s new book reminds us that most of the images on early TV were decidedly Caucasian and directed at predominantly white audiences Television did not invent whiteness for America but it did reinforce it as the norm particularly during the Cold War years Nadel now shows just how instrumental it

was in constructing a narrow conservative and very white vision of America During this era prime time TV was dominated by adult Westerns with heroes like The Rebel s Johnny Yuma reincarnating Southern values and Bonanza s Cartwright family reinforcing the notion of white patriarchy programs that Nadel shows bristled with Cold War messages even as they spoke to the nation s mythology America had become visually reconfigured as a vast Ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands
