Ignore - Good for minor attention-seeking behaviours.

Ignore the behaviour and only reward the child with attention once they have stopped the behaviour.

Encourage Empathy - Point out how the negative behaviour makes making another person feel (e.g. sad, hurt) Ask child how they feel if someone did the same to them.

Be Clear & Consistent - Ensure child is aware of what you want them to do. Be consistent in what you say and how negative behaviour is dealt with.

Promoting Positive Behaviour

Praise the Positive - Give praise and attention to positive behaviour. e.g. thank child for being helpful, give attention when they are kind to others

Be a good Role Model - Demonstrate positive behaviours, favourable attitudes and desirable ways to interact with others
Children learn by copying behaviours!

Support Emotional Wellbeing - Through routines and activities help children learn about feelings and emotions, why we feel them and how we can share and manage them.

Use Rewards - Allow child choose next toy, activity or 'because they have been kind and helpful' OR stickers or certificates to help visually reinforce positive behaviour.
