5 Can you provide an example of a challenging case you ve worked on and how you approached it Answer One challenging case I encountered involved a family experiencing homelessness and struggling with substance abuse issues The family faced multiple barriers to accessing housing and supportive services and the children were at risk of being removed from their parents care I took a strengths based approach and worked collaboratively with the family to identify their needs and goals I connected them with community resources including substance abuse treatment programs housing assistance and mental health services I also advocated for the family within the child welfare system to prevent the children from being separated from their parents Through ongoing support and encouragement the family was able to stabilize their living situation address their substance abuse issues and strengthen their relationships It was a challenging journey but witnessing the family s resilience and progress was incredibly rewarding
