If you are not sure of the correct installation of any part of the quick start guide, please download the complete installation manual available at www.autopageusa.com. This quick start guide is a brief summary for professional installers that are familiar with the installation and operation of the Autopage system. Please test all of your equipment to insure proper operation of the vehicle system following this guide.

The Autopage System with Autopage Entry System has been designed to be installed on Autopage systems with an Autopage transmitter (DS-434).

1. Check that the vehicle system is a Autopage system.

2. The system must be installed and tested through a safety switch or it will not start in any forward or reverse gear.

3. Some Autopage transmitter vehicles may have other DS-434 vehicles with a Autopage system and have a Autopage system. The Autopage system does not interrupt the Autopage system when the transmitter is in any gear and does not allow the DS-434 to start in any forward or reverse gear. Therefore, the system should never be installed on any vehicle that has a Autopage system.

4. Once you install the system, you must verify that the vehicle will not start in any forward or reverse gear regardless of the type of vehicle.

5. Read the operation manual for operating the system.

6. Some vehicles have a Autopage system transmitter. Therefore, there is a possibility that the system cannot be installed on some Autopage transmitter vehicles.

7. Some vehicles have an DS-434 or any system. The Autopage system will not start in any forward or reverse gear.

8. Disconnect the air battery before beginning work on the system.

9. Check battery polarity before wiring any system. Ensure that no wiring terminals or other components are located between the battery that would otherwise be damaged.

10. Do not use conventional jump lead, battery or any wiring that wiring, i.e. repair parts will possibly obstruct connectivity into the Autopage system and may result in false alarm or incorrect operation. The suggested installing of connection points.

11. Install the wiring neatly under carpets or under seat to prevent possible damage to wires.
