

## Electronic Feedback: Missa, Student Activity Response

### Investigation 1

1. The company's traditional policy of strict architecture rules combined the fact that people are used to doing what they do.
2. All other things equal, increased pressure could probably cause employees to work longer hours, which could lead to stress and health.

### Investigation 2

1. The demand will probably increase because new employees will be hired.
2. Because they are young, they are more likely to be a more productive worker. However, their high energy and enthusiasm for work may also lead to burnout and a decrease in productivity. Their high energy and enthusiasm may also lead to a decrease in productivity.

### Investigation 3

1. Increased demand for customer service will lead to increased demand for staff. Staff will be needed to handle the increased demand.
2. The demand will be more likely to be met if the company can manage production to increase, which will increase demand and create opportunities for more staff and revenue.
