Economy and Society Max Weber, 2019-04-01 Keith Tribe's new translation presents Economy and Society as it stood when Max Weber died. One of the world's leading experts on Weber's thought, Tribe has produced a clear and faithful translation that will become the definitive English edition of one of the few indisputably great intellectual works of the past 150 years. Essentials of Microeconomics , 'Economy' in European History Luigi Alonzi, 2022-02-24 Prompted by the linguistic turn of the late 20th century, intellectual and conceptual historians continue to devote a great deal of attention to the study of concepts in history. This innovative and interdisciplinary volume builds on such scholarship by providing a new history of the term economy. Starting from the Greek idea of the law of the household, Luigi Alonzi traces the different meanings assumed by the word economy during the middle ages and early modern era, highlighting the semantic richness of the word and its uses in various political and cultural contexts. Notably, there is a particular focus on the so-called Oeconomica literature tracking the reception of works by Plato, Aristotle, the pseudo-Aristotle, and Xenophon in the Italian and France Renaissance. This tradition was incredibly influential in civic humanism and in texts devoted to power and command, and thus affected later debates on Natural Law and the development of new scientific disciplines in the 17th and 18th centuries. In exploring this, the analysis of the function of translations in the transmission and transformation of meanings becomes central. Economy in European History shines much-needed light on an important challenge that many historians repeatedly face: the fact that words can and do change over time. It will thus be a vital resource for all scholars of early modern and European economic history. *Business Economics* Dr. Himanshu Saxena, Suvidha Chaplot, 2024-02-01 Buy Business Economics Major Minor e Book for B Com 1st Sem BBA 2nd Sem University of Rajasthan Jaipur Syllabus as Per NEP 2020 By Thakur Publication *Essentials of Health Economics, Third Edition* Diane M.
