Interventions David A. Raitzer,Nina Blöndal,Jasmin Sibai,2019 This publication reviews 91 impact evaluations of transport interventions in developing countries summarizes findings on outcomes identifies evidence gaps and proposes ways forward Most of the studies reviewed find significant effects on at least one of the outcomes investigated However impact evaluation has given relatively little coverage to major areas of investment such as urban and sustainable transport transport corridors and efficiency enhancing measures New methods and increasing openness of geospatial data provide scope to generate more innovative impact studies in this sector **Weekly Commercial News** ,1920
