**God's Love Deal With Us** Dr. Meyer J van Rensburg, 2024-10-15 Our history mythologies and even popular entertainment are filled with stories upholding the concept of sacred vows and covenants between warriors rulers and subjects friends and allies Take for example King Arthur s Knights of the Round Table or the Three Musketeers However the concept of blood brothers and sworn oaths is not a product of Western Civilization as we might suspect the history of covenants goes back to the days before Christ So where did it originate And how did it develop Here Dr Meyer van Rensburg seeks to answer these questions while also addressing the significance of covenant in the Christian s life today Covenant God s Love deal with us provides a vast survey of the meaning behind such vows and the far reaching history of these bonds Largely setting his foundation in Scriptural references to what makes a covenant and the many examples of Biblical covenants Dr van Rensburg emphasizes the ritual of the nine required steps to a covenant and their meanings then and now consider the elements of a typical wedding ceremony to see how adherence to these covenant steps continues today Furthermore the many covenants God made with man throughout early history with Adam Noah Abraham David Moses and especially Jesus continue to touch Christians lives these are dealt with in detail by the author However he also goes beyond these Scriptural models and the covenants between God and man to explore the history of covenants between men

throughout the world and particularly the existence of covenants in Africa and their role in the history of the continent past and present Through this wealth of examples and attention to ritual Dr van Rensburg reveals a path to agape love and peace if only one adopts the principles of the covenant Dr Meyer s books can be seen on Amazon and his oil paintings on UK craft fairs

The Mechanical Universe Imagine a world where a majority of the people on the planet have been hypnotized Imagine that virtually all the important world leaders have been hypnotized In their hypnotized state they still do have a degree of functionality They are not totally out of touch with reality but their perception of the world is slightly amiss They can still walk and talk They still enjoy human relationships They breathe eat and drink But their distorted perception causes them to act in ways that are destructive Their distorted perception causes them to feel less joy in life They are harming themselves other people and the environment because of their distorted perception And the basis of this distorted perception is that on a subconscious level of mind they have been programmed to believe themselves to be in a mechanical universe Subconsciously they believe that they are surrounded by a giant machine Subconsciously they believe that they are a machine within a machine And these subconscious distortions are always there On a conscious level of mind they are not aware of how they have been hypnotized They have no conscious awareness of the fact that they are in a persistent hypnotic state This is the nature of subconscious programming the hypnotized person is simply not aware of the programming This book is about deprogramming this mechanical universe This book is unique you won t find any other book on deprogramming that is quite like this one I describe a system of mind control that was developed by other persons These persons were former MK Ultra researchers who had become disillusioned with the CIA and the MK Ultra research program So they began to covertly help those persons who were the victims of Satanic Ritual Abuse and MK Ultra I m the only person who is willing to publicly describe their system of therapy I don t give advice on how to perform therapy I only share information In some cases the information comes from therapists who have treated MK Ultra and Monarch mind control In this book I tell stories and share unique insights I m am a survivor of Satanic Ritual Abuse and some MK Ultra techniques I want to give hope to other survivors who are trying to recover And I want to give some new viewpoints for therapy to those who are trying to help recovering survivors This book was written as a sequel of sorts to my two previous books *Angelic Defenders* and *Demonic Abusers* *Memoirs of a Satanic Ritual Abuse Survivor* and *Cannibalism Blood Drinking High Adept Satanism*
